

To all applicants

Please note that as a Registered Charity we are keen to keep our administrative costs as low as we are able. This ensures that as much of our donated income as possible can be used directly for the benefit of our service users.

You will appreciate that sometimes we receive as many as one hundred job applications for one advert, which would prove costly if we replied individually to every applicant.

For this reason, we hope you will understand that our policy is to only respond if an applicant has been short-listed for interview.

If you do not hear from us within a two-week period, please assume that on this occasion you have not been successful.

Please be assured that we appreciate every application we receive and each one is considered individually on its merits.

We do wish you well in seeking future employment.
