

## **CHRISTIAN FAMILY CARE**

### **POOL COVER POSTION**

The position of Pool Cover is to enable us to meet the requirements of our various projects in social care. These projects are:

- Charis Mother & Baby Care, caring for single, homeless and pregnant young women before and after the birth of their babies
- Bedford Women's Refuge for women and their children fleeing domestic abuse
- Family Support in the community
- Children's Centres.

The work which will be undertaken will cover a range of services, mostly assisting with families and children in the above projects and the occasional administrative cover. They will be at all times be supervised by the manager or delegated staff member of the various projects in the most appropriate way.

The duties expected to be completed will be outlined by a job description relevant to the role being covered. Working Time Regulations will be taken into consideration prior to any agreement regarding pool cover work.
